 MANAGEMENT CONFERENCE TO  
 NOVEMBER 27, 2006 AT 4:00 P.M.

 Claimants. )

The parties agree, subject to the Court's approval, that the case management conference ("CMC") currently scheduled for Monday, October 30, 2006, be rescheduled for Monday, November 27, 2006, at 4:00 p.m. The Court previously granted two requests for rescheduling.

The reason for this requested rescheduling is that counsel have not had time to meet and confer about this case or to discuss whether there might be a possible resolution short of litigation. The undersigned government counsel has been out of the office for most of the month of October because of surgery and, as of this week, has returned to the office part time. Claimants' counsel, Gabriel Caswell, is handling two complicated cases, a murder case in Los Angeles and a 109-count felony fraud case in San Francisco, both of which are trailing other cases for trial. Thus, additional time is necessary so that government counsel and Mr. Caswell can collaborate on a joint case management statement. Mr. Caswell has authorized the undersigned government counsel to indicate that he is in agreement with this stipulation and order by placing "/s/" on the signature line for his name.

IT IS SO STIPULATED:
